Description of the Story / Case Study

Chapa Suramma was Lives in Peddamidilileru Village of Charla Mandal, Bhadradi_Kothagudem District, Telangana State.

She got Married with Krishna at the age of 20 years she is a member of Kanaka Durga SHG of Sri Seetha Rama Village Organization PeddaMidisileru since 2006.

Her son chopasovardhan got driving licence but he has n't got own auto. He used to working on other auto's and earn's nearly Rs.200/- to Rs.250/- per day sometimes he used to working

as an Agriculture coolie due lock of funds he is unble to buy a own auto one day chopasuramma attended meeting conducted by village organization of Peddamidisileru. In that meeting the executive committee members explained about the AGEY Scheme.

Then Chopasuramma through that has son got driving licence and she wanted to utilise the scheme by Knowing the details from the concerned persons to purchase diesel auto to her son. She discussed with her SHG members and prepared resolution on note SHG Register. And this proposal also discussed in Sita Rama Village Organization about this resolution. Then the resolution sent to Mandal Samakhya, Cherla Mandal with all details of the unit. The Mandala Samakhya Meeting discussed and approved the proposal. As per the proposal of the individual the total cost of Diesel Auto was Rs. 2,33,500/- (Two Lakhs Thirty Three Thousand and Five Hundred Only), CIF of Rs. 2,08,500/- (Two Lakhs Eight Thousand and Five Hundred Only) and the beneficiary contribution was Rs. 25,000/- (Twenty Five Thousand Only). After approved by the Mandal Samakhya, the beneficiary purchase the Diesel Auto.

After purchasing the Diesel Auto the beneficiary transporting public from Peddamidisileru village to Thippapuram, Thippapuram to Cherla and Cherla to Bhadrachalam. Now he is earning nearly Rs.500/- per day. And earning Monthly Rs.15,000/-. In this amount is paying monthly instalment is Rs. 6,000/- to mandala Samakhya, now his monthly net income is Rs.9000/- Now the beneficiary and his family is living happily with their income. And they are expressing their happiness of living happily in their village.

His future plan is to expand his transport services to the interial villagers
